

The 2009 Northwest Regional Meeting of the ACS

Preliminary Program

(visit www.chem.plu.edu/norm2009 for full information)

Selected Symposia

- Bioanalytical Mass Spectrometry
- Chemistry, Energy, and Sustainability
- Chemical Education
- Chemistry of the Bioregion
- Chemistry of Chocolate
- Novel Polymer Science for Modern Applications
- Undergraduate Program

Workshops and Special Sessions

- ACS Career Services
- Graduate school fair
- High school teachers programming
- Chemistry in Context
- Laboratory Safety
- Online access to scientific information
- Strategies to promote active learning

Keynote speakers include:

Professor Neil Kelleher, University of Illinois
Professor Daniel Nocera, MIT

Frontiers in Mass Spectrometry
Energy and Sustainability

Special Events

Awards Banquet – Tacoma Museum of Glass (with Artists' Hot Shop Demo)

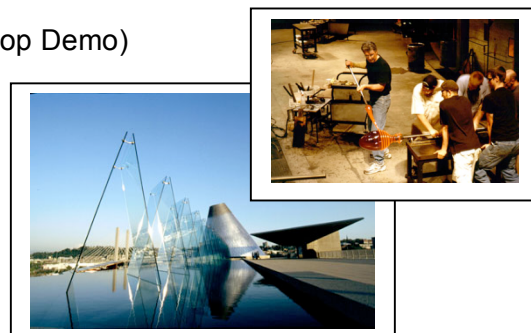

Chemical Wizards Show – Open to the public

Student Affiliates Demo Exchange and Poster Session

Madame Curie – A One-Woman Dramatic Presentation

Diversity Luncheon in conjunction with WCC

100th Anniversary Celebration of the Puget Sound Section

To become a sponsoring vendor or to volunteer, please contact:

General Chair – Craig Fryhle (fryhle@chem.plu.edu)

Program Chair – Dean Waldow (waldow@chem.plu.edu)

Exhibits Chair – Terry Nicksic (nicksitd@plu.edu)

Treasurer – Neal Yakelis (yakelis@chem.plu.edu)
